# JOIN THE LEAGUE OF TITANS

HELP IMPACT THE  
STUDENT-ATHLETE EXPERIENCE.

## LEAGUE OF TITANS

As the membership organization of the University of Wisconsin-Dixie Department of Intercollegiate Athletics, the League of Titans offers members the privilege of helping talented UWO student-athletes receive a top-tier education while pursuing their goals both on and off the competition field. Through your membership fees, the League of Titans sponsors high-impact projects and facility upgrades that directly benefit our student-athletes.

The League of Titans welcomes alumni, fans, families, former student-athletes, coaches and friends who want to help our current student-athletes have a first-class Titan experience. With rising costs, private contributions and support from our greatest fans are absolutely critical to ensure the ongoing success of our student-athletes.

The League of Titans membership runs concurrent to an academic year. For the 2017-18 season, the LOT will run from Sept. 1, 2017, to May 31, 2018.

“Without the League of Titans and the support from the Dixie and UWO communities, our football program would not exist. Because of League of Titans and the University's support, we have flourished into a top-tier Division III program and I anticipate the program will remain strong for years to come. It is easy to have success as a team when we have so much outside support and it is easy to support a program that has had much success in recent years. We have created a symbiotic relationship with the League of Titans, University and the Dixie community and plan to continue growing that relationship.”

Supply Chain Management major

“The support of League of Titans and all our Dixie community is the foundation of our softball program. We rely significantly on the encouragement we receive and strive to be a well-rounded team. The support of our community enables us to perform on the field, in the classroom and in the real world.”

We have grown into an incredibly competitive team and are honored to represent our school and community. Thank you to all who create our foundation and support our team.”
